

- Birth:** 1954
- Diploma:** MS in biology and chemistry, Univ. Szeged, 1978
- Scientific degree:** Doctor rerum naturarum, 1984
Candidate of biological science (CSc.), 1989
PhD (SZOTE), 1996
Habilitation, 2006
Doctor of Science (DSc.), 2016
- Work position:** full professor (2017)
- Research abroad:** Lexington (USA), 1985-86
Glasgow (UK), 1990-93
Leuven (Belgium), 1995-2007, 2-7 month/year
- Memberships:** European Muscle Society, MÉT
- Awards:** Pro Scientia pin, 1997
Széchenyi István fellowship, 2003-2006
- Teaching:** Medical biochemistry (Hungarian, English)
Molecular developmental biology (Hungarian, English)
Molecular background of diseases (Hungarian, English)
- Research field:** Biochemistry and molecular biology of skeletal muscle regeneration and adaptation
- Scientific activity:** (ctrl+ click >> in a new window)
